FOR IMMEDIATE RELEASE

AMD LAW FOCUSES ON DOING BUSINESS WITH AFRICAN ENTREPRENEURS

(Atlanta, GA, USA)-For the month of February 2015, AMD LAW, a premier international business and intellectual property law firm will focus its attention on the continent of Africa. During this month, AMD LAW will provide information highlighting emerging African entrepreneurs and international brand protection. Particular focus will be placed on luxury products and services through the firm's Luxury Law Firm division.

About LUXURY LAW FIRM

The Luxury Law Firm is focused on products and services in fashion, beauty, art, design, entertainment and sports law. Through its Luxury Law Firm division, AMD LAW provides information, education and specialized legal services to entrepreneurs and established business owners. They also supply information about brand protection and brand sustainability in the global economy.

About AMD LAW

AMD LAW specializes in international business and intellectual property law. AMD LAW produces a daily informational blog that highlights legal issues of interest to business owners.
