FOR IMMEDIATE RELEASE

AMD LAW PARTNERS WITH INVENTORS LAUNCHPAD

(ATLANTA, GA, USA)- AMD Law is pleased to announce that it is now a featured partner with Inventors Launchpad - a group of inventors and product developers, and full-service engineering company. With this new partnership, AMD Law will be able to further assist clients with the development, launch and manufacturing of new products from innovative businesses, entrepreneurs, and individuals in addition to its broad range of intellectual property law services.

The site can be viewed at <http://inventorslaunchpad.com/amdlawgroup/>.

ABOUT AMD LAW

AMD LAW specializes in international business and intellectual property law, produces a daily informational blog that highlights legal issues of interest to business owners.

Media inquiries can be directed to Darlene Reed, contact@amdlawgroup.com.
